

Church Pictures: Preferences of Style

Below are several pictures of Episcopal Churches.

1. Rank them in the order of your preference. If these were your choices which would be your first choice for Sunday worship, which your second choice, and so on.
2. On the back -- Please add some comments about what most attracted you to your top choices and what put you off from your lower ranked choices. Note anything that comes to mind – arrangement, art, style

Chairs, in rows; free standing altar; people gather on three sides for communion

RANK #

Chairs; semi circle; free-standing altar; communion at stations

RANK #
